

SCHMITT WOODLAND HILLS

WOODLAND *Views*

SCHMITT WOODLAND HILLS CNA ALEYA STIBBE TO COMPETE DOWN UNDER

Aleya Stibbe is a junior at the Richland Center High School. She is involved in track, Student Council, National Honor Society, 4-H, FFA, dance and gymnastics. Outside of her school activities, Aleya has been keeping very busy. Last summer, Aleya completed the CNA (Certified Nursing Assistant) class at Southwest Tech and has been working 10 hours per week at Schmitt Woodland Hills.

She really enjoys her job and feels it is a great learning experience and will help prepare her for a future career in nursing or a similar medical field. She hopes to continue with track and pole vault during her college career, although she is currently undecided which college she will attend.

Aleya has been invited to compete in the Down Under Sports Tournaments for track and field on the Gold Coast of Australia in July 2019. She is excited to have this once-in-a-lifetime opportunity to represent Wisconsin in this international meet. During their time in Australia, the athletes will have 2 days of practice and 3 days of competition. They will have some time for sight-seeing in Australia, including a wildlife sanctuary, kangaroo fields, and even getting to hold a koala bear.

Aleya's favorite event in track is the pole vault. As a freshman, she cleared 8' at the first high school meet. Her personal best height was 9' 6" and she qualified for Sectionals. Last year she was honored to be one of four Richland Center High School pole vaulters to qualify for state. She cleared 10' 3" at Sectionals and 10' at the WIAA State tournament in LaCrosse. This year, her personal goal is to clear 11' 6" before the season is over. She is also trying triple jump this year for the first time and has qualified for the state indoor

meet in Whitewater on April 6th for both pole vault and triple jump. Her other regular events include the 400-meter dash and various sprint relays.

Down Under Sports was founded in February 1989 based upon the dream of a New Zealander by the name of George O'Scanlon. As a young man growing up in his native country of New Zealand, George fell in love with athletics, especially American football. His desire, over the years, has been to promote football, not only to the people of New Zealand, but also to Australia where he lived for many years. That is why George started the Down Under Bowl which eventually led to the establishment of the Down Under Hoops Classic and the Down Under International Games. The Down Under Sports programs use the common language of sports to bridge the continents and provide a forum for athletes from around the globe to compete head-to-head in the sports they love. During the past thirty years, Down Under Sports has had the opportunity to share the land down under with tens of thousands of individuals from across the United States.

The 2019 Down Under Sports program will include competition in football, cheer, golf, cross country, track and field, basketball, volleyball and soccer. Down Under Sports' goal is to continue to provide athletes who excel in their sport the opportunity to experience the culture, beauty and grandeur of the land down under, all within the framework of spirited and intense competition.

Each student athlete must raise the money to cover the cost of the ten day Australia Tournament Package. Anyone interested in helping Aleya reach her goal of competing in the Down Under International Games may use the form on the back page to send a donation to the effort. Schmitt Woodland Hills will see that Aleya receives the money donated for her trip.

FOOTPRINTS IN THE SAND

Everyone leaves footprints on the sands of time. Our prints are made by the imprints of our lives on others. A person is remembered for the weight of his or her character. For

marks of accomplishment. For shapes of kindness. For length of compassion. For width of personal warmth. For generosity. For values. How do you want to be remembered?

When we leave positive impressions behind, we enhance the lives of our friends and loved ones. We give them footprints to follow. Thoughtful estate planning is one way we have to leave our footprints in the sand, to help others recall our priorities.

For example, consider the effect of a plan that includes provision not only for family members but also some resources for charitable organizations like the Schmitt Woodland Hills Retirement Community. An estate gift makes a positive statement - When you include the Schmitt Woodland Hills Retirement Community in the final disposition of your estate, you declare to your family and friends that you believe in and care about our

mission of senior care in Richland County. Your parting gift becomes a clear declaration of your values.

An estate gift provides needed funding - Estate gifts are especially valuable, not only because they tend to be larger than annual gifts, but because they often come at critical times. They provide that extra boost to the budget that can make the difference between program advancement and program retrenchment. An estate gift encourages imitation - There's something about a well-planned estate gift that influences others to "go and do likewise." As friends and family members plan their own estates, they may recall your generosity and thoughtfulness. Your gift may unlock resources for the Schmitt Woodland Hills from other estates.

Bill Bartlett, the Development Director, is available to provide you, confidentially, with the information and materials you need to include charitable giving in your overall estate plan.

Please take a moment to clip out and return the response form below. Or you can reach Bill by calling 608-647-8931, or email Bill at swhdev@mwt.net.

To arrange for a personal visit, or to simply request complimentary printed material, complete and return the coupon below:

SPRING HAS SPRUNG – THE BIKES ARE TUNED

Today is April 8th and as I look out my window a blanket of white, in the form of new snow, covers the ground and shrubbery. That's right, snow! But I am sure spring is just around the next corner and that means the residents will be out in the trishaws with those bright red canopies. Everyone is anxious to begin another season of trishaw rides on the bike paths and around the Community. Both trishaws have been taken to Blue Dog Bicycle in Viroqua, WI for a spring tune-up. Hopefully by the time they return, the weather will begin to cooperate and the warm weather will truly be here to stay.

New Schmitt Woodland Hills employee Micah Walters, who is working part time in our Dietary Department will also be volunteering as our newest trishaw pilot. Micah has nearly completed his training and is looking forward to taking his "road test". Micah's

first order of business will be to give his grandfather, who is a resident here at SWH, his first trishaw ride.

We hope to add some new destinations to our rides this year. As we gain more experience, the pilots are looking forward to adding to the experience for the passengers. There have been discussions about a destination picnic for the residents to enjoy. There have also been discussions about a joint ride with other facilities on our area.

It will be interesting to see how things unfold as we move from Spring to Summer and on into the Fall. Whatever takes place, we are sure it will be a fun, enjoyable season for the pilots and their passengers. If you would like to participate in the fun by becoming a volunteer pilot please let us know. For more information contact Bill Bartlett at 608-647-8931 or send an email to swhdev@mwt.net.

ENCOURAGEMENT BY CRAIG PEACH

The King of Comics, as far as I'm concerned, is still Peanuts by Charles Schulz. You remember Linus, Lucy, Schroeder, Pigpen, the Little Red-Haired Girl and Charlie Brown. There's a ring of reality to their relationships.

One sequence comes to mind. Linus has just written a comic strip of his own and he wants Lucy's opinion. In the first frame, he tentatively hands Lucy his comic strip and says, "Lucy, would you read this and tell me if you think it's funny?"

In the next frame, you see Lucy patting her foot and a little bit of a grin comes across her face. She looks at Linus and says, "Well, Linus, who wrote this?" Linus with his chest heaved out and a great big grin says, "Lucy, I wrote that."

In the next frame, you see Lucy wadding it up, throwing it to the side, and saying, "Well, then I don't think it's very funny."

In the final frame, you see Linus picking up his comic strip, throwing his blanket over his shoulder, looking at Lucy and saying, "Big sisters are the crab grass in the Lawn of Life!"

We find that humorous. I have to say if you and I thought long and hard enough, we'd remember being the crab grass in the lawn of somebody else's life. None of us wants to be a source of discouragement. And yet, if we're not careful, we can find ourselves being more pessimistic than optimistic, more discouraging than encouraging.

Encouragement is vital for life and a great work environment. Encouragement is like a cool breeze on a hot day in the summer. It revives and refreshes.

Painter Ben West tells how he loved to paint as a youngster. When his mother left, he would pull out the oils and try to paint. One day he pulled out all the paints and made quite a mess. He hoped to get it all cleaned up before his mother came back, but she came and discovered the mess. West said what she did next completely surprised him. She picked up his painting and said, "My, what a beautiful painting of your sister." She gave him a kiss on the cheek and walked away. With that kiss, West says, he became a painter.

May God help us all to be encouragers in the Lawn of Life.

JACKIE'S JOURNAL: *NEW GROWTH AND NEW LIFE*

It is spring again and the flowers are beginning to sprout and the wonders of God's grace and love are abounding all around us. We see new little foals and calves being born. We see the renewal of leaves on trees. There is new life and revival all around us.

This is all a great reminder of how we continue to grow and evolve as well. We as humans will never be perfect nor do we want to be. We do however want to be the best that we can be for all of those who depend on us. Our Residents and Tenants here at Schmitt deserve the very best that we have to give. I truly believe that we live up to that.

Our staff recently received a Cite Free Survey from the State of Wisconsin Division of Quality Assurance. There is no getting closer to being perfect than that. This doesn't mean that we do everything right, because perfect is not achievable. We are all humans. What it does mean is that our staff truly shine, care, love, and show great compassion. They put their all into caring for those that have been entrusted into their care. They go above and beyond to

ensure that each and every person residing at Schmitt has all of their needs met. Our staff are exceptional at meeting and exceeding the delivery of quality of care that each person that resides at Schmitt deserves.

I am truly blessed to be able to lead such an amazing family of staff here. I cannot begin to give them the thanks and honor that they deserve because "Thank you for allowing me the honor of serving each of you" just doesn't seem enough.

So I will simply say that I could not be prouder of each and every one of them than I am right now. There is a saying that "It takes a community to raise a child" and I say "It takes a team to move mountains and our Schmitt Team can definitely move mountains!!!"

God has blessed us all at Schmitt and I truly feel him moving mountains here. God bless us all!!!!

Jackie Carley, Executive Director

SWH CONTINUES INTERNSHIP PROGRAM WITH UW PLATTEVILLE-RICHLAND & BARABOO/SAUK COUNTY

Schmitt Woodland Hills is pleased to be sponsoring an intern student for the spring semester. Emily Sheffield is a Business major, studying at the UW Platteville—Baraboo/Sauk County campus. Emily is 23 years old and was originally from Evansville but now resides in Baraboo. Much of her extended family lives in the Richland Center area so she is familiar with Schmitt Woodland Hills specifically and the area in general. Emily and her fiancé, Dominick, share space with their pet bunny, Smokey, and their hamster named Noodles.

Emily has joined the Schmitt Woodland Hills team as the Social Media Marketing Intern. She will be helping us to expand our social media presence on platforms such as Facebook, Instagram, and LinkedIn. She will also be helping us to develop marketing programs for these platforms. One of Emily's first assignments will be to focus on marketing the soon-to-be-opened, Woodland Adult Day Center. We expect the new Day Center to be opened by June 1st.

We are happy to have Emily working with us and look forward to a mutually beneficial relationship for this semester.

SWH ANNOUNCES NEW ADULT DAY CENTER PRESS RELEASE

After considerable study and conversations with area agencies, Schmitt Woodland Hills has made the decision to open an Adult Day Care Center on their campus in Richland Center. The Center will be called the Woodland Adult Day Center.

The primary objective of the Adult Day Center program will be to provide services to adults who need enriched social or health-supportive experiences, or who may need assistance with activities of daily living, supervision and/or protection. Services may include personal services including eating, bathing, grooming, medication administration, supervision, and assistance in the use of adaptive equipment. It could also include, provision of snacks, transportation, and activities designed to meet physical, social and leisure time needs. Services include supervision and training based on individual needs and desires.

This program is designed to serve people with dementia, elderly, frail elderly, persons with developmental disabilities, physical disabilities, and sensory disabilities. While this program will provide personal cares and medication administration, it will not provide skilled nursing services such as wound care, physical therapy and occupational therapy. However, therapy services may be obtained on the Schmitt Woodland Hills campus on an out-patient basis.

The new Program Director for the Center will be Ellen Alvin, current House Calls Coordinator at Schmitt Woodland Hills. Ellen will continue her duties with the House Calls Unit and will assume new responsibility

for the Adult Day Care Center. Officials at Schmitt Woodland Hills expect to be open by May 1st, pending licensing. Initially, the Center will be open Monday, Wednesday and Fridays from 9:00 am until 3:00 pm. Participants will be introduced to this new program gradually. Eventually the Center is expecting to be able to serve 18-24 clients with programs 5 days per week.

Program participants will be involved in the planning and implementation of the activities they will be involved in. They will also engage in individual and group activities that encourage creativity, social interaction and physical exercise. Opportunities for indoor and outdoor activities, including outings to points of interest and involvement in the general community will also be part of the program. Limited transportation services are also being considered. When asked, Jackie Carley, Executive Director of Schmitt Woodland Hills, stated that she was, "Very excited about this new program Schmitt Woodland Hills will be introducing to the community. There are very few opportunities available in this area for this type of program. Our program will not only benefit the participants but will also provide desperately needed respite for the caregivers and families of the participants as well."

More information can be obtained by calling Schmitt Woodland Hills at 608-647-8931 and asking for Ellen Alvin. Ellen Alvin is encouraging members of the community interested in this service to call soon to get information and to begin the process of getting on a list for services.

Wieners on Wheels! We Deliver!

This year we have done 2 Wieners on Wheels. Town folk placed their hot dog or brat orders and we delivered.

Both were very successful. The first one in November we raised money for the Alzheimer's and Dementia Association. The second one was on Valentine's Day and the proceeds went to purchasing a new sound system for the Activities Room.

We thank the community for the great support and response to this fund raiser. Look for the next one later this year!

LeadingAge™
Wisconsin
Better Services for Better Aging

WHCA / WiCAL
Wisconsin Health Care Association Wisconsin Center for Assisted Living

The Underfunding of Nursing Facility Resident Care

\$307,000,000+

Based on two studies, Medicaid was underfunded by between \$307 million and \$325 million in 2017-18.

100%

Percentage of Medicaid resident days that were underfunded

Medicaid Residents

vs

Private Pay Residents / **+\$41,000** /year /

Private pay residents have to pay \$41,000/year more than Medicaid residents due to the underfunding, resulting in asset depletion and lost homes.

\$71-\$79 per day loss

Amount facilities lose for each Medicaid resident, each day, for providing their care.

Medicaid % of Total Residents

These underfunded residents make up an increasingly large portion of nursing facility residents.

30

Number of Nursing Facilities that have closed since 2016.

Direct Care Funded

vs

Direct Care Expenses / **\$99,800,000** /

Unfunded direct care was nearly \$100 million in 2017-18. This funding goes toward front-line caregiver wages. Underfunding contributes to lower wage rates, workforce shortages, and increases the potential for substandard care.

2010

2040

140% increase

Projected population growth for Wisconsin residents ages 85 and older.

BASIC LIFE SUPPORT FOR HEALTHCARE PROVIDERS

Schmitt Woodland Hills is pleased to announce that you can be certified in the newly released 2019 BLS (Basic Life Support) at SWH. SWH is affiliated with the American Red Cross training services.

Basic Life Support certification involves an instructor led training course designed to be taught in four hours.

All equipment and materials are supplied.

Class is taught with lectures, videos, hands on training and a 25 question test.

A score of 84 percent or higher is required on the written exam and an effective CPR demonstration is needed to obtain your BLS.

Instructor: Carlene Shaw, Registered Nurse

- BLS for healthcare provider instructor
- First Aid/CPR/AED instructor
- Clinical instructor at Southwest Technical College
- Health Center nurse at SWH since 2016

**Register with Jody Oman:
608-647-8931 ext. 144**

Children 5 and under: Free**

CHRISTMAS GALA LUNCHEON

The tables were draped and set. The chairs were covered and sashed. Our second Christmas Gala Luncheon was set. The 9 table hostesses and their guests were in their finery.

Our dietary staff had prepared tables of appetizers and the wine was flowing. The guests enjoyed a luncheon of Beef in Red Wine Sauce and Chicken Cordon Blue in a Swiss Cheese Sauce and Tiramisu for dessert.

Guests were able to bid on the table centerpieces provided by the table hostesses and several other donated auction items.

We raised over \$5,000 for new dishes and flatware for all the residents plus new table linens for the 2nd floor dining room.

If anyone is interested in our Luncheon next year please contact Bill or Barb at 647-8931.

MAKING A DIFFERENCE AWARD BANQUET

Sunday evening, January 27th, was a time for celebrating and honoring area people and organizations who go above and beyond the call of duty with regards to their service to the community and their efforts to enrich the lives of its citizens.

The "Making a Difference" awards banquet is an annual event hosted by Richland Rejuvenates. Mick Cosgrove introduced Schmitt Wood Hills as the Organization of the Year, with a special mention of the Cycling Without Age program. It was noted that the trishaws have been seen out and about in the community and at special events.

Jackie Carley, Executive Director, received the award on behalf of everyone at Schmitt Woodland Hills. In her remarks Jackie thanked all the staff for making the award possible. It takes an entire team including the Health Center staff, the Westview staff, receptionist and the volunteer pilots to keep the trishaws rolling throughout the summer months.

The traveling award will reside at SWH for one year. It is on display in the lobby under the picture of William Schmitt outside the Handy Shop. Stop by and take a look. Congratulations to every one of us for this is truly a team recognition. Thanks to all of you for making it possible!
