

Schmitt Woodland Hills Brings You....

The ***Family Ties*** ***Newsletter***

March 25, 2024

Special Report

As of Wednesday evening March 20th we went back into Outbreak Mode because of a positive test result among the staff from Health Center 1. Hospital masks will be required for anyone working in Health Center 1. Should a resident test positive KN95 masks will be required in the affected area.

All staff working in Health Center 1 will be testing Mondays and Thursdays. All residents tested negative on Thursday the 21st and again on Monday the 25th.

Any resident exhibiting symptoms will be asked to stay in their rooms until they are symptoms free.

Our “Free Day” when the Outbreak Mode can be lifted will be April 4th assuming no new positive tests between now and then. Visitors are again being asked to wear masks when entering the building. As always, thank you for your cooperation!

New Positive
Tests In
Health Center 1

May all your prayers be answered and may you feel the Lord's presence near you...not only for Easter, but always.

Happy Easter!
